About INTEXCO

Welcome to INTEXCO, where technology and trust come together to create a safer, more connected world. We specialize in surveillance and networking solutions, offering cutting-edge products and services designed to empower individuals and businesses alike.

We're more than just a distributor—we're your partner in navigating the digital world. Whether it's providing top-tier ICT and ELV solutions or ensuring seamless connectivity, our goal is to make technology work for you, every step of the way.

We believe that innovation is meaningful only when it serves people, which is why customer satisfaction is at the heart of everything we do. From selecting the right products to offering continued support, we're here to guide you through the ever-evolving digital landscape.

Join us as we work to create a future that is secure, connected, and filled with possibilities.

CEO's STATEMENT

We believe in creating more than just connections; we aim to build trust, security, and a brighter future. For us, precision isn't just about getting things right—it's about ensuring peace of mind for everyone who uses our solutions.

Our work goes beyond providing cutting-edge products. We consider ourselves part of a larger movement that shapes industry standards and contributes to meaningful conversations about digital ethics. In a world where technology evolves rapidly, we're committed to advocating for privacy, security, and connectivity as the foundation of a thriving digital ecosystem.

This is not just our mission—it is our responsibility to drive innovation while upholding security and ethical standards. We envision a future where individuals and businesses navigate the digital landscape with confidence, knowing that their security and connectivity are in trusted hands.

Together, let's build a world that's not only interconnected but also secure, ethical, and full of opportunities.

Waleed Jawaid

Our GROWTH

2020

We are proud to have upgraded our workspace to better serve our clients and accommodate our expanding team, embodying our continual pursuit of growth and professionalism.

2022

Our company took center stage as we orchestrated a grand brand launching event for Ruijie Reyee. The event was a spectacular showcase of innovation and style. As the orchestrators of this unforgettable occasion, we proudly stand at the forefront of ushering in a new era for Ruijie Reyee, leaving an indelible mark in the industry and solidifying our commitment to groundbreaking ventures.

2024

Acquired Tenda Distribution – Collaborated with CPK (Community Policing Karachi) for social services.

2021

Securing projects from Real-estate sector stands as a testament to our unwavering commitment to excellence. This significant milestone validates the trust placed in us by industry leaders and reflects our capability to deliver top-tier solutions.

2023

We are thrilled to announce the establishment of our new office in Lahore. This strategic expansion underscores our dedication to fostering regional relationships and enhancing our presence in key markets. We are excited about the possibilities this new chapter holds and the opportunity to serve our clients and partners even more effectively from our dynamic Lahore location.

MISSION

Empowering businesses and individuals with reliable solutions that enhance security, connectivity, and peace of mind. We're here to make technology simpler, smarter, and more accessible, while staying true to values of trust and innovation.

VISION

A future where every connection builds trust, every innovation creates opportunity, and every solution strengthens the bond between technology and humanity. We see a world that thrives on secure, seamless, and meaningful connections.

Our SOLUTION

ICT Solutions

Seamlessly integrate technology into your operations with our ICT expertise:

Networking Solutions: From robust network infrastructure to high-speed WiFi, we ensure uninterrupted connectivity for your teams and devices.

Display Solutions: Deliver your message effectively with innovative displays for advertising, public information, or interactive communication.

Entry & Exit Management: Keep track of attendance and movements with smart, efficient systems designed for accuracy and ease.

ELV Solutions

Enhance security and automation with our specialized ELV services:

Security Surveillance: Round-the-clock monitoring systems to safeguard your valuable spaces and assets.

Access Control Solutions: Manage and restrict access to sensitive areas, ensuring safety and compliance.

Industrial Automation: Streamline tasks and improve efficiency with automation solutions tailored to industrial needs.

Hikvision Solutions at INTEXCO

We bring you Hikvision's industry-leading security solutions, designed to enhance safety, efficiency, and control across various environments. Whether it's homes, businesses, or industrial sites, Hikvision's cutting-edge technology ensures seamless security management tailored to your unique needs.

Advanced Surveillance & Smart Security:

AI-Powered Video Analytics: Proactive security with real-time threat detection, facial recognition, and unusual activity alerts.

Thermal Imaging: Ensure 24/7 monitoring even in low-light conditions, fog, or smoke, making it ideal for industrial and high-security applications.

Cloud-Based Security Solutions: Access, store, and manage surveillance footage remotely with secure cloud storage and real-time mobile access.

Smart Home Automation: Secure your home with AI-driven cameras, motion sensors, and remote access controls for complete peace of mind. With Hikvision and INTEXCO, you get scalable, intelligent, and innovative security solutions that protect your assets, optimize operations, and ensure a safer environment.

Partner with INTEXCO today to experience the future of security!

Access Control

Hikvision's Access Control Solution not only achieves rapid passage through multiple verification and identification technologies, but also provides complete measures for specialized scenarios with high security requirements and emergency protocols.

Parking Management

With the continuous evolution of urban landscapes, the importance of managing parking space and vehicle flow has become increasingly urgent. Hikvision, recognize and tackle this challenge by offering advanced solutions for controlling vehicle access and optimizing parking.

People Counting

People Counting Solution features high accuracy and effectiveness, making it easy to understand how many people are in an area at any time, how they move, where they congregate, and periods of peak occupancy.

Visitor Management

Hikvision's Visitor Management Solution provides a vastly improved experience for users and guests while protecting personnel and property. This application integrates to build a comfortable and safe working place in a multitude of settings.

Ruijie Solutions at INTEXCO

We bring you Ruijie's advanced networking solutions, designed to deliver seamless connectivity, high performance, and intelligent management for businesses and homes alike. With Ruijie Cloud, Ruijie SD-WAN, and Home WiFi solutions, we ensure a secure, scalable, and hassle-free networking experience tailored to your needs.

Ruijie Home Wi-Fi

Ruijie Home Wi-Fi is a flexible and scalable solution that enables you to mix different models, giving you the freedom to expand coverage or add new features whenever you need them. With Reye Mesh, you can easily incorporate other compatible routers into your network at any time without replacing your existing hardware.

Ruijie Cloud

Ruijie Cloud is one of the world's largest network management platforms, delivering free, secure, and reliable services to businesses of all sizes.

From enterprise to home, Ruijie Cloud simplifies networking, enhancing efficiency and optimizing the value chain to deliver a seamless user experience.

Enterprise SD-WAN Solutions

Integration of Cloud and Network Reducing Costs and Increasing Efficiency Ruijie SD-WAN solution provides centralized device management headquarter to all branches and configuration, and dynamic link adjustments through the software. This solution is suitable for enterprises and customers in financial, government, and other industries. No need to buy L2, L3 VPN from ISP's.

Fire & Security Asia EXPO 2023

INTEXCO was a Platinum Sponsor at Fire & Security Asia 2023, a premier event that brought together industry leaders and experts to explore the latest advancements in fire safety and security technology. With meticulous planning and a dedication to excellence, the event provided a platform for networking, knowledge-sharing, and showcasing innovative solutions. Interactive exhibits and discussions provided attendees with valuable insights into emerging trends and industry best practices, fostering collaboration and driving the industry forward towards safer environments.

INTEXCO Showcases Latest Tenda Innovations in Exclusive Event

INTEXCO recently held an event to launch new Tenda products. Attendees had the chance to see and test these new items, learning about their features. The event also provided networking opportunities for industry professionals to connect and share insights. It showcased the collaboration between INTEXCO and Tenda in delivering innovative technology to customers.

WORKSHOPS 2024

In February and March 2024, INTEXCO organized three workshops in Karachi and Quetta in collaboration with Ruijie and Hikvision, focusing on the latest advancements in networking and security solutions. These workshops provided professionals in both cities with valuable insights into cutting-edge technologies and best practices in the field.

Vision for THE FUTURE

INTEXCO is driven by a clear commitment to shaping the future of technology and security. We aim to lead in providing dependable and intelligent networking and surveillance solutions that empower businesses and individuals alike. As the digital landscape continues to evolve, our goal is to stay at the forefront of these advancements, creating a seamless, secure, and connected experience for all.

We value the partnerships we have forged and recognize that success is best achieved through collaboration and mutual trust. As we look ahead, INTEXCO is determined to expand its reach, deliver innovative solutions, and uphold the highest standards of quality and service. We strive to be a trusted partner, contributing to a safer and more efficient world, one solution at a time.
